25-32 Corners pass and gypsy: This follows the timing of "corners pass and turn but corners dance a quick RS gypsy - eye turn- instead of using hands!

Note: Bars 9-16: To dance down the middle and up in tandem, 1W leads down the set with 1M following closely behind. On bar 4, they dance RS around each other and, man leading, dance up to opposite sides (in this dance to 2nd place opp. sides) facing out.

Written on the way to the Monday night class in Des Moines on June 12, 2017, for a lovely dancer, Tammy Dann, who has not been able to dance lately because of some serious problems with joint pain. This dance avoids any jarring caused by hand turns, etc., so that we can have the joy of Tammy in the sets again!
